Who are we?

The Mont Ste-Marie Property Owners Association (MSMPOA) is a not-for-profit, volunteer-based association created for the betterment of the community. Our goal is to create a conduit of information to our members in response to community issues and development.

What have we done?

- Demolition of the old hotel. Our Association actively contributed to its demise by lobbying decision-makers and collecting data such as air quality samples,
- Lac Fournier and environmental issues. Our Association conducted water quality testing control last summer and we are pleased to confirm that the water quality of our cherished lac Fournier is pristine.
- Urban planning development. Our Association is currently working with decision-makers towards a comprehensive urban development strategy for MSM,

What we would like to do

- Identify and protect Wildlife species of special concern at MSM
- Highlight the rise of summer traffic at MSM without corresponding services, has become an important environmental and social concern.
- Advocate for a better knowledge of your concerns

How to support your Association

If you are a property owner at the *ski hill*, you are welcome to join our 100 members plus, and have your voice heard by contributing \$50 towards our fixed association costs, such as the Board insurance, regular communications with our members and the maintenance of a bilingual website/communication. Please fill out the **online form**, at MSMPOA.CA. or pay at the door before the AGM. Our Board elections will be held at the AGM on April 2nd and Membership must be paid to vote. You can advise us in advance if you are interested in putting your name forward for one of our 7 Board position by emailing:
